Millennium Packaging & Distribution, Inc. to Focus its Distribution Model in the Southwest and Midwest Markets

Millennium Packaging and Distribution, Inc. announced today that it has transitioned its West Coast operations to Imperial Dade effective March 13, 2020. Millennium has operated in the California/Nevada/and Hawaii markets since March 2017. “We decided to transition out of the West Coast market and focus our efforts and resources on our core businesses in the Texas/Oklahoma/Arkansas and Midwest geographical areas” said Bob Knoll, President and Co-Founder of Millennium.

Millennium continues to operate its four distribution centers in Texas and Chicago, IL servicing its supermarket, foodservice, and redistribution customers. “Millennium has a strong history of growth over the past 20 years and we will continue to be the distributor of choice for our customers’ packaging, paper, and jan-san product needs” says Greg Payne, Executive VP of National Accounts and Co-Founder.

Founded in 2000, Millennium is headquartered in San Antonio, TX and has been a member of NETWORK since 2013.
